**H**ello from Prescott! The weather is warming up, and we are beginning to transition our outreaches outdoors!

To start, We just wrapped up a powerful week of revival with Evangelist Glen Puglesi from El Paso, Texas. We kicked off our revival week with a Youth Rally. Over 200 young people from Fellowship churches around the area, Phoenix, Glendale, Casa Grande and as far as Las Vegas, NV drove to be a part of the rally.

As we met at the church, Evangelist Puglesi shared a challenging message to the youth, a message of strategy and direction for our young people. A challenge was given to us - this generation of young people, saved by the power of God, as the hope for this broken generation. We headed out in outreach excited and emboldened with the anticipation that God would use us.

One highlight of the outreach was a group of young girls who had never been on an outreach before. They were filled with excitement and a desire to tell everyone they met about the good news of the Gospel. Watching them share their testimonies for the first time was super encouraging.

During the outreach they were speaking with a woman who had a medical condition that caused her a lot of pain, and she was facing surgery. These young girls, bold and believing in the Power of God, asked if she believed God would heal, and said she did believe, and would be willing to allow them to pray for her. They were able to lay hands on her and pray for her healing. It was so encourag-

Evangelist Glen Puglesi ministers during revival, Youth Rally in Prescott

ing to know that even as young kids, God could use them in mighty ways. The entire day was a fruitful day of evangelism in which we saw 33 souls saved and two people healed.

That evening we put on a new Production, led by Pastor Jesse Morales, called "A Super Fairy Tale." The production offers a simple story involving some of the most loved princesses and superheroes. There is a clear Gospel message through the production.

The play makes an impact in drawing out families and young people, and afterwards we allow for pictures with all the beloved characters. At the end of the night we saw many visitors and nine souls saved, and we are excited to continue to hold showings of the play throughout the summer.

Following the Youth Rally, we had a week-long revival that was a powerful time. Evangelist Puglesi contended for deliverance at every altar call, and many timely words were given. The revival saw many miracles of healing, and testimonies of God's deliverance in our congregation. We greatly appreciated the ministry of Evangelist Puglesi and God's faithfulness to meet

with his people.

Following the Revival we kicked off summer outreaches. Many of the young disciples in our congregation have had the opportunity to hold outdoor outreaches and healing crusades. These healing crusades, often held in someone's front yard or a local park have been able to make an impact on local neighborhoods and families. We have seen many miracle testimonies of healing and fruit from these outreaches.

Delbert John, one of the disciples in our church, had the opportunity to lead a healing crusade. As we evangelised and outreached in preparation for this event, there was a lady who saw a flyer and called Delbert. This lady was bedridden and unable to leave her house due to severe back pain. She asked if Delbert would be willing to pray for her during the healing crusade, even though she would not be able to attend. Knowing that we serve a God who is a miracle worker, and is not limited by location, Delbert agreed. During the healing crusade he called this woman, and led her in a

**G**reetings from Barstow, California.

We are excited to share how God is moving in our city!

Last year was a great fight to remain open and as many of you know many things were cancelled or put on hold, and the biggest setback was that we were under orders to close the doors of our church.

That all changed after members of our church attended Winter Conference. As the saints heard the testimony of what God was doing in other states and cities we were challenged and compelled to outreach!

Even though we were still under stay-at-home orders we decided to step out in faith, and we got a little creative in our outreach efforts. We would do a parade style outreach with a car blasting testimonies and music, while the saints walked and waited for people to come outside. Many were saved through this hit and run outreach where we drive around looking for people that are out walking and pull over and witness to them, and of course grocery parking lots. We saw single people and families get saved, come to church and lock in from these outreaches.

In the first week of March, we had our first revival after six months with Evangelist John Valtierra. He brought a word of encouragement for all the saints. A couple of the nights we had more than 60 people in attendance, double our regular church attendance.

We had an Easter fest with games, a puppet drama, and music with 18 giving their lives to Jesus and we saw many visitors from that event.

In May, we had a revival with Evangelist Leonard Williams. This revival saw backsliders come and rededicate their lives to God. One sister testified that though her backslider daughter had come occasionally to church this was the first time she answered an altar call in years, to this day she is still coming!

Please keep us in your prayers as we continue to pray and believe God for the city of Barstow.

A special thanks to the Prescott church for making conference happen. Pastor Greg, Sister Lisa and the Prescott church body, you are always in our prayers.

**Casa Grande**  
**Victory Chapel**  
**Pastor Angel Morales**  
**Corres: Hallie Morales**

**G**reetings from Casa Grande! God has really been helping us here.

In Prescott's January Conference we launched our very first interna-

Left, new church building in pioneer Zamora, Mexico work. Right, Juan Arenas has been saved and praying for a Fellowship church in Zamora since 2017. Now Jacob and Hosanna Salas will pioneer a work there.

tional work into Zamora, Michoacán, Mexico and our church is full of excitement and anticipation for all God is going to accomplish!

In February we had an amazing revival with Pastor Josh Neal, from Blythe, CA. We had many people

saved and many timely words were given. We had a baptism following this revival and six precious souls were baptized and have since locked into the church.

Our Easter service was wonderful with many first time visitors and our children's church production in the evening. Souls were saved and added to the Kingdom. We were able to have our first church fellowship and Easter egg hunt for the kids in over a year!

With Arizona opening up, we have been seeing couples getting involved and having street preaching and outreaching meetings on Friday/Saturday nights, seeing people rise up and proclaim the Gospel.

We have been preparing for the transition into Zamora, Mexico. In May we were able to go into the city and God was there waiting for us! We met so many key people who opened up so many doors for us.

A man named Juan Arenas was

saved many years ago in the West Las Vegas church. He's since been living in Zamora since 2017, praying for a Fellowship church to come. Juan helped us as we navigated the city and we were able to secure an 1,800 sq. ft. building in the downtown area

on one of the busiest streets for less than \$500 US dollars a month!

While getting some supplies and things they needed, we met a man who directed us straight to a neighborhood with houses for rent. We were able to get a four bedroom house right next door to Juan's mother's house in a quiet and safe area!

We are so thankful for Prescott, our mother church, for the partnership in sending this first international work for Pastor Jacob and Hosanna Salas who are taking their four kids and answering the call to the mission field, and for all the support and prayers from our church Victory Chapel as we take on this exciting new endeavor.

We can't wait for all God has in store for us here in Casa Grande! We are praying for you, keep praying for us!

**Chandler, Arizona**  
**The Door**  
**Pastor Joe Campbell**  
**Corres: George D. Rose, Sr.**

“Free at last, free at last. Thank God in heaven we are free at last!” As of this report many of the challenging restrictions imposed in the name of Covid-19 are being lifted across the state and the nation. Thank God! Still, I am pleased to report that the Chandler Church has pressed forward in the search for souls.

We were able to have a live stage production of Moana where the principal character sets out on a search for the meaning of life. She finally finds it in Jesus Christ and in his salvation. This powerful musical production brought many visitors with a number responding to the call for repentance.

February found us celebrating Black History Month with a revival featuring Pastor Stacey Dillard. We kicked it off with our “Soul Food Feast,” a major draw for the local community.

Pastor Dillard brought a powerful series of meetings that confronted sin and promised hope. We were blessed to see a number of souls saved during this revival. Pastor Dillard also prayed for the sick and took time to pray for

believers to receive the baptism of the Holy Ghost!

Our Cinco de Mayo celebration brought tacos, rice and the opportunity to reach the Spanish-speaking community. We had many visitors come to our feast honoring the Mexican culture. Pastor/Evangelist Aaron Saavedra provided us with a dynamic word of God that left lives changed as the altars were filled with those seeking salvation and the presence of God.

Since the first of the year the Chandler church has set aside each Tuesday as a day of prayer and fasting. This time of “Priority Prayer” has brought the congregation together in faith, believing God for powerful revival.

As a result of this increased communion with God believers have started to trust God for miracles and salvation. Subsequently, we have experienced a growing presence of God and an in-

'Moana' drama in Chandler saw number of souls saved

crease in visitors each service. We look forward to seeing all the God will do with this dedicated time in our lives and church.

The Chandler church was privileged to host the valley-wide Pioneer Rally in March of this year. Representatives from across the Valley of the Sun and Arizona gathered to hear messages forged to keep our vision as a fellowship focused and purpose sharp.

This was followed in April with the Missions Rally with churches from across the Southwest joining together to reaffirm our calling to fulfill the Great Commission of Christ to fill the world with His Gospel. We were reminded of our need to be savers of men and women dedicated to loving and reaching the lost wherever they may be found.

We are grateful for all that God has done and is doing and look forward to being instruments in and end-times revival. Pray for us as we do you.

**Dardenne Prairie, Missouri**  
**Potter's House**  
**Pastor Franko Garcia**

Greetings from Dardenne Prairie, MO. God has greatly blessed us in establishing his work in this wonderful city.

My wife and I were launched out of Carbondale, IL in March 2020. This was right at the start of the global pandemic but that did not stop God from moving.

After a few months living here we found a great building and started working with people. We made excellent contacts and key disciples that are helping us here to this day.

As soon as we stepped out in faith, God began to work on the hearts of people in this community. Several people have come in just from seeing the banners and signs around town. We have had powerful services and outreaches, highlighted by rap concerts, door-to-door ministry, park outreaches and follow-up fel-

Fruitful Fun Day outreach in Dardenne Prairie, Missouri

lowships.

We have also been linking hearts with the local churches around us. A few months in we had our highest attendance at 21. Since then we have grown both in number and spiritually. We have seen God

work with young men and woman who are hungry for leadership and church growth.

We have also seen breakthrough financially. After six months God has helped us to go on half support. We also stepped out in faith and decided to pledge to world evangelism as a church. The Sunday after that commitment, we saw a new tither added to the church. God continues to bring in supernatural resources.

We are excited for all that God is going to do thru this core of believers here. Our motto is LOVE GOD, AND LOVE PEOPLE! We cannot wait to see this church grow and this city won for Jesus. Please pray for us here in Dardenne Prairie as we trust God and continue this great work.

**El Sereno, California**  
**Potter's House**  
**Pastor Erik Bakke**

**T**his report highlights what God is doing in our church especially in the arena of finances.

We recently took up a pledge for World Evangelism, to help with the plant into Arequipa, Peru. Many people responded and gave sacrificially, and we were able to invest several thousand dollars into this new work.

Over the course of the last couple months, we have seen blessings poured out on God's people. To mention a few of them, two families had vehicles given to them, one brother received an unexpected raise, another received an unexpected check from a previous employer from before he was saved, and one sister testified that her landlord reduced her rent by \$200/month! In a place like Los Angeles, where rent continues to skyrocket through the roof, that is a miracle of God!

All of this is a testimony of God's faithfulness to provide and bless His people, even in times of economic downturn. Thank you Lord!

**Hobbs, New Mexico**  
**Potter's House**  
**Pastor Nic Montoya**

God is alive and well in Hobbs, New Mexico.

We had a water baptism where God moved. After the Baptism three more converts got inspired to get baptised. They ask when the next one was scheduled. Pastor said let's do it now, we still have water in the tank! So three more joined in. It was an awesome move of the Spirit of God. One person had been saved about a week.

Then we had a revival with Evangelist Ballinger. Lives were restored and saved, and we saw powerful miracles. That was the first night and each night God revealed His great power even more.

During the JW Ballinger revival, he prayed for four of us after service. He ask what I needed prayer for. I let him know about my liver and diabetes. He prayed and when he was done, he ask to let my Pastor know the result from my doctor. I finally saw my doctor. He didn't know I had stopped taking the pills and insulin, because I could monitor it if I needed to. But since the day I got prayed for my sugar level has been perfect.

Usually at night I would take 10 MG of insulin and pills. But I didn't take anything and it was still normal. Still to this day, it is normal. I'm healed! My other records show my high blood pressure was normal.

My ammonia level has never been under control. I was hospitalized at 220, and 160 was my normal, lowest was 130. Normal is 20. Well, my doctors test showed my level was 20. Praise God! He gas done a great healing in my body.

Thanks to God and the faith of Evangelist Ballinger, I am healed. The doctor asked what I did differently. I said I went to a revival and got prayed for and God healed me. He kept on looking at me trying to figure it out. He said to keep doing whatever I was doing. I don't need pills or insulin!

Many more were touched and

healed.

This will be a great year for our Fellowship...let's continue to believe God. This is just the beginning!

**Las Vegas, New Mexico**  
**Las Vegas Christian Center**  
**Pastor Ray Rubi**  
**Corres: Mario Sanchez**

**H**ello to everyone from all of us in the Northeastern part of the state of New Mexico.

We want to bring you a great report of all that God is doing here at the Las Vegas Christian Center.

We started the year off in February with a Marriage Seminar with Evangelist Mike Gomez. Despite the Covid restrictions, we had couples in attendance. The response at the altar showed that we heard from God that night.

Evangelist Mike stayed over and did our first revival for the year which was well attended. We saw people get saved, filled with the Holy Ghost, and lock into the church.

At the end of February we held a baptism service where we saw seven people get baptized in water and testify of a new life found in Jesus Christ.

The saints have been faithful to witness and be a part of our street preaching outreaches. They deal with people about the times we live in and the signs of the soon return of Jesus Christ, bringing visitors to the church.

In April we had Evangelist Carl Copper come and preach to us some very powerful and timely messages that challenged us to get ready for the summer outreach season. People are rising up and practicing in bands ready to go out and reach the lost through concerts.

One of our pastors on the field due to Covid had to fight through blood clots and a stroke. He came back into the church here in Las Vegas where God is doing a physical miracle upon his body. Every day he is getting better by the power of God.

Please continue to pray for us and with us about the upcoming Boot Camp that so many of the young people depend on every year where they meet with God and leave transformed

Prayer during Mike Gomez revival in Las Vegas, New Mexico church

Baptism in Las Vegas, NM church

and encouraged.

We want to thank our Pastor Ray Rubi and wife Patsy Rubi for their support they have shown us through these difficult times. They are a great example to us of how we need to be faithful and steadfast and God will bring us through. On for Revival!

### **Palmdale, California Potter's House Pastor Jack Miller**

**G**reetings from the Aerospace Valley and the church in Palmdale, CA.

At nearby Edwards Airbase the sound barrier was first broken. Now God is breaking spiritual barriers.

One year ago in the middle of the lockdown God gave us favor with the city and we were able to reopen. The mayor attended one of our street events and the city manager came to our 'Faith & Blue' event for police and first re-

sponders.

Evangelism door-to-door was challenging, but we began to see more people praying for salvation than ever before. One lady started to watch the Livestream and then wanted to see what it was like in person. She came, got saved and is in ministry today.

We had youth hikes and bonfires with testimonies and preaching. God began moving as young people in their teens and 20s are getting saved and getting on fire for God.

In special services with Mike Gomez, Jake Snyder, Cesar Sanchez, Rich Cox and Adrian Martinez, plus revivals with Angel Morales and Tim Miller, God supernaturally impacted lives in salvation, healing and words given that only God would know about.

Because of LA County restrictions we couldn't do our Haunted House, so we set up a Fall Festival behind our building. About 200 people came and 35 prayed for salvation. One of those converts is still coming.

In the midst of the 2020 lockdown

the church had its best year ever financially. As California is finally opening back up we're going out again with the band, drama and impact teams.

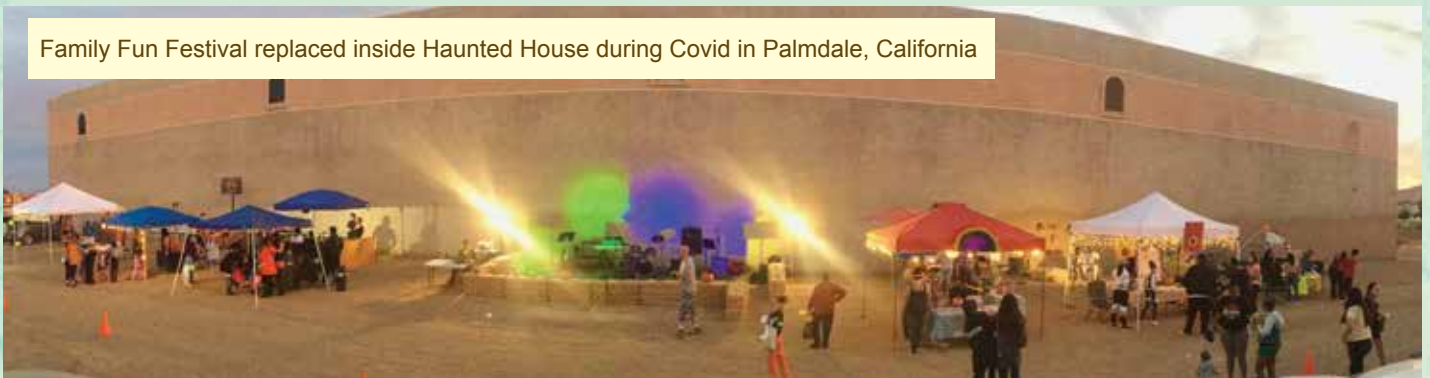

Our recent revival with Evangelist Steve Bowman had a high attendance of 81 people. For the week we had 37 new decisions and 17 rededicated, along with many healings. Forty-five words were given - even to someone online who later asked his church friend, "How did he know I was watching?"

A former NFL player prayed at a park outreach then started coming to church. Recently he brought a 65-year-old man in a wheelchair. His legs had atrophied, but after prayer he began to move them. That afternoon he walked for the first time in more than a year!

We appreciate Pastor Greg Mitchell and the Prescott church for their continued faithfulness to the heavenly vision.

God is breaking through and the gates of Hell can't stop the church from going forward.

Family Fun Festival replaced inside Haunted House during Covid in Palmdale, California

**Houston, Texas**  
**Potter's House**  
**Pastor Robert Correa**  
**Corres: Jackey Guidry**

Hello everyone from the great city of Houston, Texas. We want to share a brief report of God's continuous faithfulness and grace.

As a start this past El Paso Bible Conference we were able to launch a second international church in Honduras. Jorge and Melissa Martinez have served in our congregation for four years and if there was one way to describe them it would be "faithful." Please keep them in your prayers as they take the country of Honduras for Jesus!

We were privileged to have Evangelist Robert Polaco give a powerful and timely revival. Many visitors attended and souls were saved. I want to thank God that we

have faithful men and women in our congregation that can see the harvest field!

Because our church is known around the city for outreaching and returning with fruit on invasion teams, and as we serve others in the city God has been faithful to draw in visitors, either from just searching the internet or from a past Saturday outreach.

In closing please keep the Houston church in your prayers as our church is growing rapidly and we are contending and praying for a new building.

We thank God for the wonderful privilege of serving Him. Pray for us as we continue in prayer for you.

**Jacksonville, Florida**  
**Potter's House**  
**Pastor Ron Meyer**  
**Corres: Rick Kleiber**

Greeting from Jacksonville Florida.

We are so thankful for all that God is doing in the Southeast and give Him all the glory!

In March and April we used our Arena Ministry to perform a production called "Treasure Island: The Legend of the Lost City." Throughout the showings the Gospel was presented, and we had 71 decisions for Christ!

Many of those that made decisions have since come out to church services and we are asking God for favor and wisdom in our follow up efforts as we believe God that these would be grounded and rooted in the body of Christ.

God continues to help us through the Arena ministry by giving people a platform to live out their Christianity, be disciplined and work together as teams as well as develop gifts to help further the Kingdom of God.

We are continuing to ask God to give us ideas as to how we

tor and Evangelist Tony Chase. The messages and words were very timely and strengthened the congregation as well as marriages. There were a number of visitors and people saved throughout the revival. God is so faithful!

Just recently in May we had revival with Evangelist and Pastor Joe Campbell from our Mother Church in Chandler, Arizona where God's presence was manifested in each service and powerful messages were preached that stirred and encouraged the congregation. We so thank God for our Mother church and the faithfulness of Pastor Joe Campbell and his wife Connie.

Following the revival we went into our Annual Southeast Pioneer Rally themed "Last Days Pioneers" with more than 40 Fellowship churches from the Southeast regions in attendance.

Pastor Joe Campbell from Chandler, Arizona; Pastor Paul Stephens from El Paso, Texas; and our Pastor Ron Meyer brought tremendous messages that stirred and encouraged the surrounding churches.

The Friday night of the Rally we hosted a pastor's dinner where the pastors and their wives got a chance to take a breath, fellowship and connect with other pastors in the area. We also set up dates to partner with many of the churches in the area to send impact teams, bands, and so on throughout the summer to help

can continue to use productions and concerts to connect with our community and lift up the name of Jesus.

In March we had a revival and marriage seminar with Pas-

be a blessing to these pastors and their congregations as they believe God to make impact in their respective cities.

We are so grateful for these couples and their congregations and the privilege to link hearts and faith with them as they dare to believe God and take the land for Jesus!

As we gear up for all that God is going to do this summer please continue to pray for the Southeast as we believe God for a season of fruitfulness and are excited for the end times revival that is on its way!

**Killeen, Texas**  
**Potter's House**  
**Pastor James Rosario**  
**Corres: Larry Vass**

**S**alutations from Killeen, Texas. We started off the year with a powerful revival with Pastor Rick Martinez, who stirred the congregation's faith. He challenged the people to stop being complacent with what is going on, but rather to believe God, and step out in faith confronting souls with the Gospel.

From there we kept on running. We had our annual youth rally in February, in which we saw about 70 in attendance, and about 25 of these youth came and answered the call to accept Jesus Christ.

Since Covid-19 happened we have had many souls come in to the church, some of these were backsliders who once were in our church, coming back home. To show our appreciation of them, we held a dinner and had nearly 50 people show. We introduced some of our ministries to them and just had fun getting to converse and serve them.

In March, we held a small healing crusade in a neighborhood, in which we spent a couple of days outreaching, and preparing for what God was going to do. In this we saw three people respond to the call for salvation, and five people healed.

One notable miracle was from a man who needed surgery in his wrist. He had developed carpal tunnel and had been in pain upon coming to the crusade. He did not come up to be

prayed for, but he secretly prayed in his seat for Christ to heal him. Upon doing this God immediately did a miracle in his body and the pain completely left him. He came and testified, astonished that he was healed.

Lastly, we had our first annual Bible

First ever Killeen, Texas Bible Conference saw two churches launched

conference in which we heard tremendous sermons which built one on top of the other, challenging the people of God to die to themselves, and be obedient to whatever God has called them to.

In this conference, we saw two overseas works and three domestic works launched out. Please continue to keep the Killeen Congregation in prayer, as we press on to the upward calling of Christ, taking our city and the nations for Jesus.

**Las Vegas, Nevada**  
**La Casa del Alfarero**  
**Pastor Adrian Esparza**

**G**reetings, from Las Vegas, Nevada! What a year this has been!

Even in the midst of chaos and trial, God has been extremely faithful. We have had numerous revivals, miracles, breakthroughs, and much more.

Las Vegas, NV La Casa del Alfarero congregation

A couple highlights from this past year - in Summer we went hard and hit the streets, neighborhoods, and parks taking music, dramas, and outreaches, sharing the hope of Jesus Christ. We saw great outcomes.

In October, disciples were challenged to take a stand and preach. That resulted in a week-long revival run fully by the disciples. We had a tremendous and powerful time!

In December we held our annual Christmas play and saw six souls saved. Praise God.

In February we had revival with Evangelist Adrian Farley with numerous souls saved and many miracles.

In one healing in particular, a sister in our church, Karen, testifies: "I had leg pain for over a year that only got worse with time and disrupted my day to day life and eventually my sleep. Pastor Farley prayed over me and I went home believing God for complete healing and rest that night. The first night I got seven hours of uninterrupted sleep, something that hasn't happened for over a year.

"The second night I got nine hours of uninterrupted sleep once again. I have had no more pain or sleepless nights since that day! I give God all the glory for that!"

Another brother had instant knee healing and a sister had back pain that also went away and she was able to

sleep well again. We had timely words given, timely messages and the souls of the saints were revived and stirred up.

We also started our Youth Bible Studies up again and have seen tremendous fruit from that. The youth are rising up in ministry and starting to be on fire for Jesus.

We have had a wonderful, Holy Ghost time this past year. Our church has multiplied and we're believing God for doors to open for a new and bigger building. This year we are going all in for Jesus! We're believing God for supernatural revival in this city!

Continue to pray for us as we pray for you.

**South Phoenix, Arizona**  
**Potter's House**  
**Pastor Luis Del Real**  
**Corres: Susana Monarrez**

**H**ello brothers and sisters of the Fellowship!

Let me tell you what we have been doing in our church despite the fact that this year 2020 has not been pleasant at all, to tell the truth it was difficult, but by the Grace of God we are still here, well and healthy.

With this Coronavirus pandemic that we are experiencing throughout the world, we were forced to slow down and to close our churches. But the Word of God that is alive and effective has kept us safe and healthy until now, and thanks to technology we had services online, although it is not the same is being at church.

Once we were able to return to in-church services we were also able to go out to the streets to continue taking the Word of God to all those who are lost and without hope.

We have also seen young people from our church get into ministries. One young man, Israel Varela, 12, was born three months premature and weighing 2 lbs. and 13 ounces. He is a true miracle for his parents and now for us as a congregation. He is now playing the drums.

We also went through the loss of our great leader and Pastor Wayman Mitchell, a true man of God as he has returned home!

Street outreach in South Phoenix

Pastor Mitchell left us a great legacy that we'll continue to share with the people that through Jesus Christ there is salvation, repentance and forgiveness of sins.

We do not know how long this Coronavirus will continue, but what we do know is that God is in control and takes care of us as we continue doing the Great Commission that has been given to us, to continue preaching the Word of God.

Keep praying for us as we pray for you.

**San Angelo, Texas**  
**The Door**  
**Pastor Richard Swift**  
**Corres: Sammy Martinez**

**H**owdy Y'all, from San Angelo Texas! We have been here since 1995 and God has been moving in this city ever since, a city that has grown from a population of 63,789 to 100,031.

Despite this past year 2020, God's people didn't go down without a fight! With much prayer, faith and God going before us we have won the battles with Satan.

In the last part of April we had a powerful Revival with Evangelist Marty Carnegie - four nights of powerful preaching where God's word hit home and where minds and hearts were changed and souls were saved.

San Angelo had closed many businesses and even churches due to the Covid-19 pandemic. The Devil thought he could stop us and shut our doors but we have prevailed and even seen where God has given us tremendous favor. People have been added to

the church and they are rising up to take part, from cleaning to ushering.

Praise Jesus for our victories but we aren't finished yet. At one time people that had left the church were telling others looking for a church to go to The Door Christian Fellowship Church.

My wife and I finally thought we would go visit these people who no longer

attended our church and ask them why they tell others to come, when they themselves don't come. They replied by saying.... "Because y'all's church is the real thing. And if people are serious about going to church The Door is the church to go to." What a great statement to hear!

We had our first Family Barbecue behind our church the Sunday after the Revival with a lot of food and games. And the best part is we had three people get baptized!

As we go and press forward to the Summer of 2021 we have many exciting things planned to reach the people in this city. Satan thought he shut us down in 2020, but all he did was awaken a sleeping giant. I say sleeping because in the sense of the pandemic in 2020.

We thank God for going before us and that He is in control. Pray for us here in San Angelo, Texas as we pray for you.

Revival with Marty Carnegie in San Angelo, Texas after re-opening

**San Pedro, California**  
**Potter's House**  
**Pastor Chris Smart**  
**Corres: Silvia Preza**

We kicked off the New Year in San Pedro with a good ole street preaching!

We are continuing to stay on fire for Christ. The devil tried to stop us in 2020, but nothing can stop the move of

Street outreach in San Pedro, California

God. When God says "I will build my church" He will always keep his word.

I would say 2020 for us was an amazing year because we saw many people saved and backsliders come back to Christ. Many people had breakthrough in their finances. Men and woman are rising up, they want to do more for God.

In San Pedro one of the highlights of 2021 has been our small groups. These groups have given us the opportunity to grow more in Christ and get to know each other on a personal level. We made sure to stay united because we need our brothers and sisters to continue on this narrow path.

We are so excited to see what God will do and who God will bring next.

**Seguin, Texas**  
**Potter's House**  
**Pastor Isaac Cortez**  
**Corres: Jason Garcia**

Greetings from the great city of Seguin, TX. I just want to share with you all that God is doing.

We started out the year with a time of revival with Pastor Adam Parker. He spoke timely words and preached on God's wonderful grace. On one of the nights a woman walked in after getting a flyer from one of our teenagers. She heard the Gospel and responded during the altar call. She came back the next night. On the last night she approach Pastor Parker and said "I remember you now. Fourteen years ago I went to a church in Austin and you

were there preaching." Pastor Parker said "it was my father." What's awesome is God brought her back to one of our churches.

The next week this

woman brought a friend to church. After one service this young lady caught the revelation of tithing.

In the month of May we had baptisms. We baptized

a couple whose life had been torn apart because of sin. By the grace of God two weeks later this couple got married. We had over 50 people in attendance and they heard the Gospel with two people getting saved.

We have been seeing visitors in the past couple of months. One family in particular came to the church after holding onto a flyer for

two years.

Since the beginning of the year we have had two revivals and guest pastors come and minister to our church. God has brought timely messages through these men such as Evangelist Juan Uribe, Oscar Jaime, Rudy Estrada, Isaac Cortez, Miguel Martinez and Cory Garza.

I wanna think my mother church in San Marcos, Texas and my Pastor Isaac Cortez for all their help and support. Please pray for us in Seguin, Texas as we take the world for Jesus.

**Saint Paul, Minnesota**  
**Potter's House**  
**Pastor Hansen Multine**

As Pastor Wayman Mitchell would say, "Look what God has done."

God has been so faithful to guide our every step. My family and I were launched into Minneapolis,

Couple saved and then married in Seguin, Texas church

MN in July of 2020. After transitioning the church in Idaho, we headed to this metropolis of more than 3.2 million people and had no clue where to begin. So, we began in prayer.

Despite the curfews imposed because of the rioting and the stay-at-home orders due to Covid, we believed God's word and began to witness at grocery stores and any-

where there was a person. The riotings from George Floyd left many in fear and many people have been open to God, looking for hope. We began to see God give us favor with people in the Saint Paul area.

In October we had our first service in our home with 10 people in attendance.

We have seen God work miracles in the lives of people. An Ethiopian woman struggling to have kids asked us to pray for her and God blessed them with a child due June 2021!

Another notable miracle is a family that was told their daughter had months to live. God was faithful to bring healing to their daughter.

Through the snow and bitter cold winters in Minnesota, people were faithful to keep coming. We began to pray for a building, looking everywhere. In Conference God gave us a word that He would give us favor for a facility. We began to contend for that promise and God opened the doors to an abandoned 4,000 sq. ft. Orthodox church building. Having it already set up as a church, with pews and fellowship hall, we moved in and began to have service in the building.

Since we opened, we have seen many saved and new converts locking in and learning to live for God. It has been exciting to introduce them to our 180 Concert scenes and Impact Teams.

We had our first Impact team with the Fargo, ND and Minnetonka, MN churches. Not only did it help solidify

these new converts, but we had more than 30 people in attendance at our first 180 Concert, with seven of those praying.

We followed this with a special service with Pastor Gabriel Olivas

the next morning with 22 in attendance. A child who had severe eczema was prayed for and healed!

Each service brings new visitors and

more people praying. Backsliders from our Fellowship churches that were here over 10 years ago have been coming back to church and making righteous decisions in their relationships and addictions.

We are excited to see all God is doing here in Minnesota and we are contending to see God establish His church here in the midst of a broken and hurting city.

We want to thank all the Midwest churches that we have had the privilege to meet as well as the Fargo, ND church and Minnetonka, MN church for all of their help and support.

We especially want to thank our Pastor Rick Martinez and his wife Cecy as well as the Ogden congregation for their investment and leadership. Please continue to pray for Minnesota.

**Tucson, Arizona**  
**The Door**  
**Pastor Harold Warner**  
**Corres: Steve Pinnick**

Greetings from The Door Church in Tucson.

Habakkuk 2:2 says-“Write the vision And make it plain on tablets, That he may run who reads it.”

We have have been pursuing a long term vision for a new Sanctuary/Conference Center on our existing property for about three years now. The encouraging thing is we are now seeing that vision rise out of the Tucson dust.

The people here have always been engaged in the vision for a new building, but now that we see the structure beginning to rise, it has brought a whole new level of anticipation and expectancy in our congregation. The plan is for the building to be open by our November 1-5 Conference in 2021.

Along with that we are also experiencing the spiritual warfare that goes along with any anticipated breakthrough in the things of God. We do covet your prayers through this season.

The beginning of 2021 started off with Pastor Warner launching our New Year’s theme with several messages on “Contending For The Faith,” from the book of Jude. It has been such a refreshing and challenging series to return to the foundations of our faith and let God challenge us as we live in a world where that faith is being tested. We can sense that God is setting a spiritual tone for us this year through these messages.

As we are entering the summer outreach season, we are already experiencing an uptick in response to our Music Nights and outreaches. During a recent outreach in our church parking lot, we had live music and free Sonoran style hot dogs. We saw a great turnout with many visitors and five people saved. We have also re-tooled our Saturday Music Nights with a different format of music, interviews and sketches that have brought a freshness to that outreach.

Most of us know that the recent pandemic has not been a good thing for the church with isolation, sickness, fear, etc. but - “we know that all things work together for good to those who love God, to those who are the called according to His purpose.” One of the things the pandemic forced us to do was to focus

Long awaited church and conference center coming to fruition in Tucson

while they are there, and to also reach other moms and families that do not know Jesus. This ministry has been very fruitful and showing great potential for blossoming in the

## Uvalde, Texas Potter's House Pastor Doug Swimmer Corres: Moon Rocha

Howdy from Uvalde, Texas! God has been "moving like a freight train," as we like to say.

Revival with Pastor John Gooding in March really opened the window and God has given the increase. We are the middle ground for the area (having the only Wal-Mart in the county) and have been able to start branching out towards neighboring cities.

on our online presence by investing in it as a medium to minister to our congregation, and also to use it as an outreach tool.

We have received online convert cards from all over the world, and we have even been able to direct some of these to our nearby Fellowship churches.

Along with the online services, Pastor Warner has been doing a Podcast dealing with "Soul Care," and these have been a valuable resource for many struggling through the issues related to the pandemic and even issues that go beyond that. In the past year he has interviewed many of the leaders of our Fellowship including Pastors Greg Mitchell, Joe Campbell, John Gooding, Sergei Golubev, Stacy Dillard, Mike Webb and others who have ministered in different fields of struggles including addictions, mental health, and many more topics. To see past or current episodes of Pastor Warner's Podcast, go to [door.church/connect](http://door.church/connect).

Another area of ministry we have initiated is our MOPS (mothers of pre-school children) group. This is a ministry to Moms in church, and an outreach to those outside the church who need help and connection to other moms.

The initial launch of this ministry saw 36 moms attend (plus a whole bunch of kids). The focus is to strengthen moms in their faith in Christ, minister to their children

Tucson begins ministry to support young mothers and reach families for Jesus

future.

As time goes on and we continue to see the perilousness of the Last Days coming into view, we are even more appreciative of our decades long connection to our brethren in the Fellowship. Trials seem to deepen these ties. We are grateful for all of those in our fellowship that we labor alongside with, and especially grateful for Pastor Greg Mitchell and the Prescott Church for their unwavering support for all of us.

I was thinking of the words of Paul, when he spoke to the church in Thessalonica, 1 Thess. 2:19,20 "For what is our hope, or joy, or crown of rejoicing? Is it not even you in the presence of our Lord Jesus Christ at His coming? For you are our glory and joy."

All of us are a little closer to the return of Jesus, and we are looking forward to rejoicing in Heaven together when that happens, until then, we will be praying for all of you.

During COVID times, we've been livestreaming our services and were able to touch people and draw them in.

Thanks to one solid

woman, Vicki Wright, making a decision to live for God and plant herself in a home church (despite the 30-minute drive) we were able to see 31 people give their lives to Jesus in an outdoor concert scene in

Pastor John Gooding ministers revival in Uvalde, Texas church

her hometown of Crystal City, Texas on May 1st.

Because of her faithfulness and work with local authorities in her city, we have been given the opportunity to have more outdoor concerts with the city willing to pay for our electricity and her brother (a local barber and shop owner) providing free haircuts to draw out big crowds.

The city manager is also willing to discuss building options in the future, God willing. Vicki has

Victor and Julissa Reyes launched into Kerrville, Texas from Uvalde, TX church

testified to many things, including her husband praying with her and for her for the first time in 10 years of marriage. Her children are being touched and she truly has that “new convert fire” that has refreshed our church!

Other big news; we became a mother church in January 2021 after launching our first pioneer work to Kerrville, Texas!

Pastor Victor Reyes and his wife Julissa were kicked out of the nest at the end of January and have managed to secure a building and already have one family attending regularly.

An outdoor concert scene done in April saw visitors and many people were present that day in the beautiful river front park of Kerrville to hear the gospel and testimonies.

After launching this couple, God has been bringing more fruit and even families we have not seen in years are visiting again. The fear of COVID seems to be withdrawing, glory to God, and while we continue to be diligent and safe, people are excited to be a part of concerts and services again.

We are currently in the middle of revival with Ralph Blanco and have already had a visitor from our concert and invasion team (from Roland Perez’s church in Austin) come and get saved!

Revivals, outreaches, baptisms, baby dedications and an Easter celebration are drawing on people’s hearts while keeping us busy. God is truly married to the backslider and we’re hoping to see more return!

Continue to pray for Uvalde and all of Texas as we pray for our leaders and you!

**Yakima, Washington**  
**Potter’s House**  
**Pastor David Bartelson**  
**Corres: Miguel & Rose Vela**

The start of 2021 has been great. We have had many people come and keep coming steadily. Couples are rising up in ministry and we are excited to see what God is going to do in our church.

**Testimony: Miguel & Rose Vela**

Miguel and Rose were doing drugs at a very young age. They both came from broken homes and their moms were both addicts. They met when Rose was 15 and Miguel was 19 years old. They were both on drugs and would be up for days at a time.

They ended up moving in together and found out they were expecting a baby. Rose quit doing drugs

because she did not want her baby to repeat the cycle of having an addict for a parent.

Miguel continued to use drugs; he was also involved in criminal activity. He was set up by one of his cousins, and sliced in the face, head, and chest with a machete. He almost died but was revived by the paramedics. He continued in his addiction.

Fast forward to nine years later and three more kids. Rose was at her wits end with life. She was so tired of life and the way it was going. She was the one who was holding down the fort working, taking care of the kids and trying to give them a better life. Miguel was so bad in his addiction he was robbing houses and stealing cars just to pay for the drugs.

Rose knew there was a God and that asking Jesus for forgiveness of sin was her only hope. She would pray every night for forgiveness for the way they were living and for God to help Miguel before he ended up dead in a ditch or in prison for life.

Miguel was in and out of jail, and he called Rose begging to get bailed out because something was wrong with his stomach. He was experiencing severe abdominal pain and stated throwing up blood. The nurses just told him it was constipation. He was finally bailed out and as he was walking to the store to use the phone he collapsed on the street and was taken to the hospital by the ambulance.

Miguel’s appendix had ruptured, and the poison was throughout his organs. He had emergency surgery and was fighting for his life for six days. Finally the fever broke, and he was released. At home that night Rose and Miguel started talking about the “what ifs” that could have been if he had passed away. Miguel finally realized he needed to change, and Rose was relieved that maybe this was the turning point in their lives. They started talking about going to church, and that they should go to the one down the street because they saw a sign

Miguel and Rose Vela saved and transformed by Jesus Christ

about a Christmas event.

Miguel said he did not want to just show up to a church, that the only way he would go is if he was invited. As Rose was thinking how she could make this happen, there was a knock at the door. As she opened it there was a man standing there who said he was Pastor Steve, and started asking about the people who used to live there and that they used to go to his church. He held out a flyer and invited them to a Christmas play at the Potter's House.

Miguel and Rose stared at each

other shocked, saying that they were literally just talking about being invited to a church. Miguel asked Steve what brought him to the house, and he said he was driving in the area and God put it on his heart to follow up with that house.

Miguel and Rose gave their lives to Jesus that night at the Christmas play, on December 2013. Miguel had to go to prison for his crimes and during that time Rose backslid. In December 2014, when Miguel was released, they both started to drink, and things were taking a turn for the worse. There was a new pastor at the church who tried to get in contact with them, but they were running from him.

In November 2015, feeling convicted by their children, Rose and Miguel went to a concert that they saw advertised on Facebook about their church. They have been faithfully attending since, and God has continued to move in their favor. God has blessed them both with good paying jobs and they have bought a house, something they thought was not possible. God is doing a tremendous work in their lives, they are rising up in ministry and are faithful servants in this congregation.

**Blythe, California  
Potter's House  
Pastor Josh Neal**

Greeting from Blythe, CA. God has been breathing on our town and we are seeing miracle conversions and growth in not only the church, but in our individual lives.

We started out the year trying to get our newly launched missionary into Georgetown, Guyana. They experienced so many delays due to COVID flight restrictions, but God got them through. They are now in place and have had to opportunity to preach in a juvenile facility where many have been saved.

Through our regular street preaching, concerts, and park outreaches, we have been seeing steady growth. Sev-

eral have been saved and started locking into church. It is amazing to see their lives being transformed.

In May Prescott sent us a team to help us put on a Cinco de Mayo concert and cookout and to prepare for an upcoming revival. Throughout that day, 37 people gave their lives to Jesus! We have seen many of them come in since then.

In 2021, we have had two timely revivals with Evangelist Kris Hart and Pastor Angel Morales. Words were given in due season, new converts were filled with the Holy Ghost, and people got saved!

We recently had our annual Memorial Day picnic and baptism. Seventeen people were baptized, and six people gave their lives to Jesus in response to what they saw that day. It was amazing!

It is such a privilege to watch someone come in from off the streets, give their lives to Jesus, and the transforming power of God almighty start to deliver them from bondages and put their lives together. We don't take that lightly.

We are so grateful for the opportunity to be here. Pastor Greg Mitchell and the Prescott congregation have truly invested and imparted to us and Blythe Potter's House.

**Testimony: Nery Ayala-Hernandez**

I thank God for my salvation. I have battled addiction on and off for more than 20 years. During my addiction I suffered homelessness, domestic violence, depression, even attempted suicide; I also lost my children to CPS living in homeless shelters. As a kid growing up my parents would take us to the Catholic church. Thinking back now I never truly learned anything about how amazing my God truly was/is.

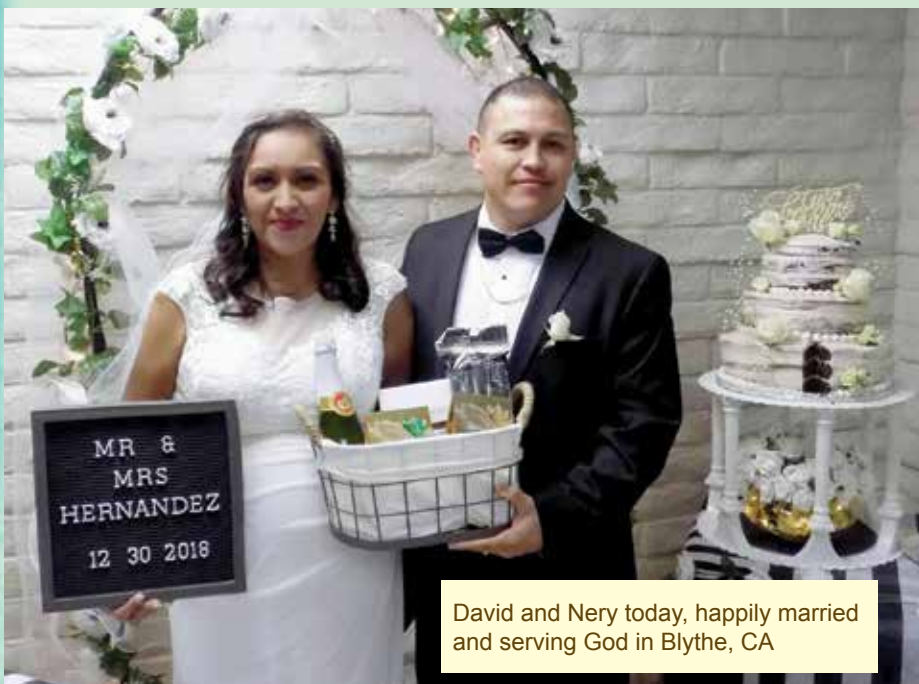

I've experienced death three times in my 42 years of life.

The first time I was so broken and depressed with nowhere to go. I had just gotten my kids taken from me by CPS and placed with family. I found myself in the hospital for extreme anemia. I was passing out

David and Nery Hernandez before salvation; broken and desperate

David and Nery today, happily married and serving God in Blythe, CA

in public places such as the CPS office. I ended up in a hotel room alone. I was tired, sick, depressed, I just wanted to go to sleep and never wake up. But I woke up to the paramedic making me swallow black charcoal to empty my stomach. Turns out I had taken a whole bottle of sleeping pills with alcohol. By the grace of God housekeeping found me unresponsive and called 911.

The second time I had just had my son in an emergency c-section and I was bleeding out. I had to have a hysterectomy to save my life. The third time I was active in my addiction. I

thought I was only using meth. Turns out they had mixed it with ecstasy! I overdosed and still to this day I vividly see how my own eyes were watching my lifeless body on the medical gurney.

So I truly believe God is not done with me yet. He has restored my family and got my kids back. I was blessed to marry my soul mate in December of 2018 in our church, and he has delivered me from my addictions. My God placed me exactly where he needed me and around three years ago he brought me to the place I would call home full of loving individuals who accept me for who

I am. He gave me the best church family I never thought I could have. My life isn't perfect but it does get better every day and as long as my God is leading my way I won't get lost again.

### Testimony: David Hernandez

**B**ound into darkness was an understatement for me.

From the day I was born I was raised in a home where severe domestic violence, alcoholism, and drug abuse was a daily occurrence.

My mother and father were "older generation Mexicans," and even though they tried the best they could, they could not keep these curses from being passed down to me.

I started using alcohol and drugs at a very young age (around 13), and getting into major trouble with the law. I started noticing I was different from my other peers in that fact that as I grew older, the sins became more and more heavier and darker. I became involved in dealing drugs (and of course using them), violence and criminality. Prison and jail were a norm for me. But at this point I was only a shell of a person. I was broken. I did everything backwards to the point where I thought I was cursed.

Every time I thought things couldn't get worse, a new low would come. My family had given up hope on me. My own mom would tell everyone that she knew that I was no good and that I was going to kill someone and end up in prison for the rest of my life. I myself had given up on life. I decided right there that the world and my family was better off without me. I wanted to die and I contemplated suicide.

Every attempt to get the right program, self help modules, or my own will was met with failure. Even though it was evident that my lifestyle of drugs, violence, and sin had taken everything from me I was never able to get it out of my heart. The world would always call me back into the grip bring me to a place that was worse than before.

Then I found myself in a dingy

jail cell way up in Northern California, broken hearted. The cops had beat me up, and I was facing a whole new list of violations and felonies. I got down on my knees in the middle of the jail cell with tears streaming down my face. I cried out to God to teach me how to love Him. I told Him that I hated my life and that I needed help!

I pleaded with God to surround me with people who would show me how to live for him, to literally hold my hand in this process because I didn't know how - but knew in my heart this was the only way there would be a glimmer of hope for my life.

I got out of jail and a few months later attended The Potter's House in Blythe Ca. Right away, Pastor Neal started inviting me to have coffee with him and the brothers from the church and allowed me to do small jobs around the church. Today my life has taken a complete 180. I've dedicated myself to try and make it to every service and function that I could. Let me tell you that God has not only answered my prayers to the "T" but has completely restored my life more than I thought possible.

I got married in the church in December of 2018 and God has given my wife, my children, and me a whole new family in Christ. He has restored a peace and joy in my heart that I had never felt before or that I thought was possible for me.

God has even put in my heart to be a disciple under Pastor Neal and it has been such a blessing. God has kept me and made me His and indeed snatched me away from the enemy's camp. Every desire to go back to my old sin has completely gone. The local Drug Rehab Center was following my progress through the grapevines and decided to offer me a position at their facility.

I thank Pastor Neal and his wife and my church family for helping me to live for God but most of all I thank God for hearing my prayers that day and bringing me out of the darkest pit. If you are out there and you need God to do a miracle in your life, don't give up because he did it for me.

Baptism in Blythe, California

**Southside San Antonio, Texas**  
**The Door**  
**Pastor Willis Gordon**  
**Corres: Samuel Amador**

**G**reetings from the Southside San Antonio, Texas.

We aggressively continue to work for the Kingdom of God as our normal weekly outreaches and concerts are maintained. Certain areas of our city have been strongly targeted in these outings. Doors have been open to the Word of God, and seeds have been planted. Our concerts continue to see people saved, with some people even driving in just to hear the music, to end up praying the sinner's prayer.

As Covid put a halt to our annual Harvester's Homecoming last year, our congregation was beyond excited to finally resume this special time of the year.

Almost all of our baby churches' Pastors were able to attend, including overseas missionary, Pastor Rudy Estrada and his family. The theme for this event was "Renewed Hope," and in this day and age, it was timely.

Our speaker was Pastor Jonathan Heimberg who ministered timely messages. Pastor Estrada closed out an amazing Harvester's Homecoming that was appreciated and needed by everyone.

In mid-May, we started an extremely powerful five-day revival with Pastor Alvin Smith. The presence of God

was truly felt in our building from start to finish. Our church was packed every night, and the altars were full just as much with 10 souls saved the first night. By the end of the revival, we had more than 40 decisions for Christ. Our congregation is thankful for God blessing us with this revival, and we appreciate every word and sermon Pastor Alvin Smith preached to us that week.

We followed our revival up with a baptism in the last weekend of May to the biggest sign-up we have received in a long time. There was a total of 24 people that got baptized that evening, but not before sharing brief testimonies of how God has delivered them from lives of sin, changing their lives for the better, and bringing them to a new-found peace.

Everyone was delighted to be part of this event, whether being one of the souls to get baptized, or just being a spectator. Once the baptism was finished, our church celebrated by hosting a dinner to congratulate and chat with these people. The night was a success, and of course we give all of the glory to God.

Excitement is brewing in our congregation as we continue to see new faces coming in every service, people rising up into ministry, youth ready to outreach, and couples fired up to be used as a great testimony, and to do God's will.

We cannot wait to see what God has planned for our congregation next. Please continue to keep us in your prayers as we keep you in ours.

# WORLDWIDE MINISTRY

## Antsirabe, Madagascar Victory Chapel Pastor Nathi Hadebe

**G**reetings from Madagascar! We just want to give God praise for all He is doing in this nation!

In August last year churches were allowed to reopen after a year of being opened and closed due to the pandemic. Even during those times we contin-

Valentine's Marriage weekend, with couples coming from the churches in Madagascar. We had 25 couples come and they were challenged to the call and encouraged in their marriages. What a great sight to see the future of Madagascar responding to see their own saved!

In March, most of the country went back into total confinement. Despite this challenge, the churches here kept pressing on! They still continue to meet, evangelize and see souls saved! In our city, we went into total con-

finement two weeks ago. As we are right in the center of town and next to the biggest police station, we could not enter our building. Total confinement here means no leaving your home

except for specific reasons. The government gave us a loophole when they said you can go and support local restaurants.

Right now we are currently meeting in different restaurants but seeing God move. In the last two weeks there have been two healed and 13 saved all while just "eating at a restaurant."

We look forward to church reopening but in whatever season, we continue to preach the Gospel in any way we can! God has moved in and outside the building and despite every challenge, souls are still being saved and workers still being risen up for the harvest!

We would just like to thank Pastor Greg and Lisa Mitchell, all the Prescott staff and the Prescott congregation for

your investment and your prayers! We also thank Pastor and Kathie Banet and the Eldorado Park church for their partnership and investment in Madagascar!

We are so thankful to represent everyone in this nation, what a privilege!

## Beechboro, W Australia Potter's House Pastor Tom Payne Corres: Eben Brunet

**G**reetings from Beechboro, Western Australia.

We have just come out of a fruitful season of Summer Outreach, under Pastor Tom Payne, with momentum and a fresh excitement as to what God is going to do over this Winter season.

Although we had great success with our corporate Saturday night outreaches, it was the mid-week disciple outreaches that were a stand out. This year we had our biggest year of disciples answering the call on their lives and going into local parks to proclaim the good news of Jesus Christ. Many disciples who had never done this before were stepping up and stepping out in faith and because of this God blessed their labours with many converts being saved and locking into church.

Our weekly concert scene at the PerthOne80 has been nothing short of exciting. Our most recent outreach in the One80 was an ANZAC production called the Price of Freedom. This was to honour the brave men and woman of our military who served and died for our country. The production consisted of live music, a theatrical presentation and video all of which tied together to tell a story of a broken war hero in need of Jesus. The Gospel message was on full display and the production ministered powerfully to all in attendance which in the end led to souls being

Church was in Covid lockdown in Antsirabe, but people were allowed to support restaurants, so church moved to the restaurant!

ued to secretly meet and see God do the miraculous! One glorious testimony is one lady who prayed with us during confinement who has brought 17 others to date into the church!

In September, we were able to partner with Eldorado Park to send another work into Antananarivo, the capital of Madagascar. We also took a step of faith and launched another work locally in our region. These works have opened and are seeing much fruit!

This year God has been doing a work in the area of couples and finances. So far we have had four couples married, three of which came in living together or pregnant and got converted and married!

In February, we hosted our annual

saved. These big productions are becoming a regular theme in our concert scene and is building a lot of momentum and excitement for future events.

We just finished our Perth Bible Conference last month and were blessed to be able to launch two couples into the ministry. We launched one couple locally who are pioneering a brand new work in Melville, WA and we also launched a couple into New Zealand as missionaries. We rejoice in knowing the vision of our fellowship is stronger than ever continuing in the pattern of discipleship, evangelism and church planting.

Beechboro would like to thank Pastor Greg Mitchell for his continued support and leadership and we look forward to another fruitful year in all that God wants to do. God bless!

**San Ignacio, Belize,  
Central America  
Potter's House  
Pastor Adam Peoble**

Greetings from the Potter's House Christian Fellowship Church in San Ignacio, Belize, Central America.

God is doing a tremendous work here in the Nation of Belize! Me and

COVID with restrictions) with Missionary David Solano from Belmopan, Belize, who preached timely messages and gave timely words and encouraged the church.

After the revival the next Sunday night God healed three people. One sister had arm pain, the other sister had knee pain and one sister had a lump on the side of her neck. As we finished praying for her eyes got wide, it was gone she said!

Then in April we had a new convert come up for prayer, in need of healing because he had stomach pains for two weeks. We prayed for him and he felt better. I spoke to him about having idols, as he was wearing a Rasta necklace. I told him to take it off and set it on the altar, we prayed again, he said the pain was gone! I asked him, when did you notice the pain totally gone? His eyes got big! He said, "as soon as I took the necklace off and put it on the altar!"

We also have a couple in our church, Yasim and Elsie Smith, who have responded to the call to one day get sent out! God has been moving in their lives tremendously! They have been faithfully serving in the church this year!

The Nation is finally starting to open up again so we can take our out-

reaching to the streets again! I do not count 2020 as a loss but as a gain because God helped our church hold the line, kept her going and stay steady!

I want to thank Pastor Ray Rubi and

the Las Vegas Christian Center and other supporting Fellowship churches for having a burden for the nation of Belize!

Pray for us as we continue to pray for you.

**Bonteheuvel, Cape Town,  
South Africa  
Potter's House  
Pastor Harold Visser**

Greetings from Cape Town, SA. We are truly privileged to be in the will of God for our lives.

The national lockdown in South Africa has had an impact on the lives of the people, both on physical and spiritual levels. We still hear about many people not wanting to visit their churches and still some churches in South Africa have not opened their doors since March 2020 during the first hard lockdown.

In spite of the fears and despair amongst people, God is still moving in Bonteheuvel! We have seen God giving us favor during our street meetings and witnessing, as we have been praying with more and more people during our outreaches.

In the month of March we had one of our songleaders get married to a sister from one of our neighbouring Fellowship churches. She is a music teacher and an excellent piano player, thus our song service got radically converted! Now we have live worship with piano, guitar, bass, tambourine and drums. God is so faithful to take us from darkness to light!

Pastor Ron Banet came to preach for us one Sunday morning after the Cape Rally and prayed for us for a bigger building, as we had a packed house with people even on our stage area. God is giving us favor in the land of Bonteheuvel!

Also during the month of March we had a revival with Pastor Solomons where we saw several backsliders re-dedicating their lives for salvation. On Tuesday evening he challenged the church to bring someone who is struggling with any addiction to the Wednesday evening service. We had five people in the service who were drug addicts. All went forward for salvation and all five got baptized in the Holy Ghost, speaking in tongues!

Our Adult Bible Study and Youth Bible Study every alternate Friday is also proving to be helping the Saints grow

my wife Lizeth have been pioneering here now for four and half years and God has raised up a core group of people faithfully serving him.

This year we had our 1st revival of the year (at end the of February post

Pastor Ron Banet ministers in Belize, Central America

and be strengthened in their salvation. In May we had our annual Skateboard competition with over 80 visitors with our disciples leading the outreach and taking care of business. God is raising up men and couples for the ministry in Bonteheuwel. Continue to pray for us for a bigger building and for ministry couples and increase in disciples that will bear fruit that remain.

**Bunbury, West Australia**  
**Potter's House**  
**Pastor Brendan Jones**

**W**e are amazed that God still continues to help us labouring in Bunbury Western Australia.

We live in a Australian country town yet God has brought people in

from PNG and the Vanuatu Islands. We have been encouraged with the response of these precious people and continue to believe God for fruit in our city.

There has been great testimonies of miracles which we could highlight; one being a man who came out to visit the church not expecting anything to happen, but to his surprise Jesus cured his back and the next week he went to work on the farm. He came back to our services testifying that God had completely healed him.

Certain new believers got baptised with the Holy Ghost and God continues to save people.

We appreciate Pastor Wayman Mitchell for the investment and years spent here in Australia and we value what was imparted. Believing God for revival!

Bunbury visitors with Pastor Brendan Jones - Bibles and copies of the Trumpet!

**Chingola, Zambia**  
**Potter's House**  
**Pastor Bwile Chongo**  
**Corres: Kathie Chongo**

**G**reetings from the Chiwempala Church. God has been doing wonders here in Chingola.

In April of 2020 churches were told to stop meeting due to COVID 19, but God's kingdom still needs to move forward. We started doing ministry online using an IBM platform and God was good.

The government allowed churches to re-open only if they had a permit. God enabled us to get a permit of 150 people in attendance and to meet for one hour. However, from the very start, we began contending, meeting all the THREE services trying to regain the lost momentum. God has really been helping us more especially in the area of tithes and offerings. We have seen people give more than when Covid never existed.

In January this year our Pastor traveled to Livingstone for a revival in Pastor Simon Nzima's church, we heard reports of miracle conversions and baptisms of the Holy Ghost.

Then in March, we had a youth rally into a revival with Pastor Christophe Marungu. We saw six people saved and many others stirred for God, as people came out in record numbers despite heavy rains each night right before services began.

On May 2, we had a water baptism, and about 11 brand new converts were baptized, it was very nice to see.

Mid-month of May we sent an impact team to our baby church Kasompe to help spread the word out, as our Pastor was doing a revival for them. We saw a great response from that with 10 souls saved on the outreach and eight more in their Sunday morning service, and many filled with the Holy Ghost.

We are looking forward to what God has in store for us. Please keep us in your prayers as we pray for you.

Chingola, Zambia young people respond to altar during a Christophe Murungu youth rally

used our church truck as the stage and a crucifixion scene instead was shown. The name of Jesus was declared as the disciples gave testimonies and God's redemptive love was preached with 22 souls saved.

In April, we finally had our first Online Bible Conference ever since the lockdown in March 2020. It was held in our church facility with only 100 delegates because of Covid limitations. The majority of the daughter churches formed into groups and had mini conferences in their respective provinces as they joined via Livestream. What a great blessing to hear the reports of our pastors on provision, protection and fruit-

### **Cuenca, Ecuador Potter's House Pastor Ivan Paredes**

**G**reetings from Cuenca, Ecuador! We announce this great victory - the church of Cuenca, Ecuador, pastored by missionary Pastor Ricardo Salomon and his wife, sister Karina de Salomon, has been nationalized!

Pastor Ivan and his wife Nohemi Paredes of Ecuadorian nationality have taken up the challenge. After shepherding it, the church of Cuenca already had a daughter church in the same city of Cuenca, which was pastored by Pastor Ivan and Nohemi.

That church was taken over by Pastor Angel and Lolita Alulima and recently the church of Cuenca has planted its second church to the city of Quevedo, Ecuador, with Pastor Henry and his wife Vanessa Lopez taking the challenge.

The victory is that the Cuenca church already has three national workers in two different cities in the nation of Ecuador!

Please continue to pray for the church in Cuenca, Ecuador, for Pastor Ivan and Nohemi Paredes, and for the pastors of our daughter churches, that God continues to raise up Ecuadorian men who take up the challenge of preaching the Gospel and reaching Ecuador for Christ.

Exciting changes as Cuenca, Ecuador church is nationalized and new couples take up challenge for ministry, and new churches are planted

### **Davao City, Philippines Victory Chapel Pastor Frank Buenaventura Corres: Emma Sotto**

**G**reetings from Davao! God's abundant grace is amazing in these challenging times.

In March, we had open doors once again in jail evangelism despite the dangers of the virus. It started as an outreach and eventually turned into a regular Bible study where a police chief officer accepted Jesus!

Holy Week came in early April. Normally, we stage a crucifixion drama in communities. But due to Covid restrictions, we opted for a mobile Station of the Cross. We

fulness during the pandemic.

We were privileged for having Pastor Greg Mitchell, Pastor Mark Aulson and Pastor Alberto Desepida as guest speakers thru video recordings with translations. Messages were on point. Words of encouragement were refreshing. Discipline and rebuke were humbling as well. On our final night, 14 local pioneer works and one new international work to Saba, Malaysia were announced.

God has been faithful with our daily outreaches, Online Home Bible Study and Online Children's Church. Our young people are slowly coming back in the music ministry.

"I press on to reach the end of the

Final night of Davao City Bible Conference saw 15 new churches planted!

on the revival with just myself, my wife and a small fraction of people from the church, believing that God was going to fill every seat in the building, which he did! We actually extended the revival from three services to six to allow the Holy Spirit to have His way! We saw more than 60 first time visitors and 40 of them gave their lives to Jesus!

We outgrew our building that we moved into in July, and so we were desperately praying for a building to accommodate all the revival that we've been experiencing through God's grace. After searching long and hard and days/nights of continuous prayer, God was faithful as

race and receive the heavenly prize for which God, through Christ Jesus, is calling us." (Philippians 3:14)

Please pray for us in keeping God's righteousness in these struggling times. There's hope in every tomorrow.

Thank you Prescott and Tempe for the exampleship. We are grateful for all your love and prayers. Also praying for the whole congregation and leadership. All glory belongs to God! God bless us all.

### Doncaster, United Kingdom Potter's House Pastor Michael Brick

I would like to share with you what God has been doing in our church over the last several months.

We made a decision to make 2021 a year of pushing back and really taking dominion by not allowing Covid to hold us back. We entitled our theme for the year, "THE YEAR OF VICTORY!"

One of the highlights for our church was when one of our young faithful women in the church came up to me and made myself aware that her mum had just found out some tragic news. She only had three weeks to live - there was a tumour growing in her brain that was untreatable. We prayed for her mum together, believing for a mir-

acle. The mum came to church the next Sunday. We laid hands on her as a church, pleading the blood of Jesus. The next week as she went for another scan, the doctors were mortified and couldn't believe their eyes as the tumour had gone and that women is still alive and healthy today!

This kicked our year off with a real faith and determination that God was moving. We started the year in revival with Evangelist Ernie Toppin, which was an extremely fruitful time. It almost didn't go ahead as many of our church folks caught Covid and were unable to make the revival services. But after speaking with different people and getting advice we decided to carry

always a n d c a m e through for us. We now have a building on a lease that is ours for at least three years and is triple the size of our

previous building. It will generously fit 150 people once all the renovations are completed. The building is in a very prominent location close to our town centre and main high street. We're already seeing a great response from the local community. We still have work to complete on the building but we've done what's needed so we can have services.

We've now had a visitor come to every service since opening in the middle of April just by walking past the building. We have seen 10 people give their lives to Jesus so far, and we're extremely excited for all that God is going to do. We are blessed to be a part of what God is doing across our Fellowship.

**Eden Park, South Africa**  
**Potter's House**  
**Pastor Shawn Stellenberg**  
**Corres: Lesego Mbaba**

Greetings from the Eden Park church, South Africa. Like everyone else in the world, the pandemic has caused us some serious challenges, but as we reflect back we see the wonderful grace of God and His hand helping us against all odds.

Our country went into a hard lockdown on March 26, 2020 due to COV-

Riaan Botha as a guest speaker. He opened the revival with the message that stirred faith of many, and our baby church pastors shared encouraging reports of how God has been helping them on the same night. On the next day we

ID-19, with all the churches not being able to assemble at all.

By the grace of God, our President announced that from June 1 churches would be regarded as essential services and we were allowed to reopen with restrictions in place. Many saints came back after the reopening and people started witnessing of how faithful God had been to them during lockdown. In almost every service we saw visitors coming in and people committing their lives to Jesus Christ. Our regular Saturday outreaches takes us to the streets with one-on-one witnessing.

We had our annual Bible Conference at Eldorado Park church in September, and our church had a privilege to launch a couple to the area of Sky City, which is few kilometers from Eden Park.

In November we were pleased to have pastor Ron Banet preaching revival services for us. Many people got words in season and his ministry left our spirits revived.

We continued with our Homecoming Revival services in February with Pastor

had a wonderful time with our baby church pastors preaching powerful and challenging messages.

We were recently able to hold a water baptism and three of our new converts took a step of obedience and were baptized, we were very excited to

celebrate with them.

One of our brothers, Chad, who got powerfully saved in 2019 and proved himself to be faithful, met Ronel who grew up in church, and they both got married on May 2 in front of many witnesses. Their wedding was filled with emotions as they were sharing their testimonies of how God has helped them. They were an inspiration to many for tying the knot at a young age.

We would like to thank Pastor Ron Banet for his leadership. We are forever grateful to the late Pastor Wayman Mitchell for his vision and investment in South Africa.

**Edmonton, Canada**  
**Potter's House**  
**Pastor James Pietrzykowski**

The past year have been a time of surprising fruit and breakthrough in our church in Edmonton, Canada.

Though we initially shut down the church for the lockdowns we quickly reopened and God has given us great favour. We have not been able to do our regular activities due to the current circumstances but have found other ways to open the doors and reach out.

We were asked if a group could use our church to host a constitutional lawyer for a talk on the current climate and our rights, we agreed but stipulated we would preach the Gospel of Jesus afterwards. This led to 140 people coming to our church and many hearing the Gospel, and six people responded to the call for salvation!

After this many of those came to our church and have been coming ever since. Unable to do a concert ministry one of our men asked if we could do a worship night. As he arranged and led the night, people got behind it and invited people to this "invite only, secret concert."

Without any invitations or advertising we saw 54 people attend with about half being visitors, again seeing many respond to the call for salvation.

We also hosted secret potlucks and Christmas get-togethers on the down low which were attended greatly. This has led to a surge in people attending our church. We have more than tripled over the last nine months with our largest service only two weeks ago! We have seen more salvations in the past nine months than the last nine years put together, God had been helping us immensely.

We have done a very small amount of advertising and almost all the visitors have been word of mouth, people bringing people. The church is excited and grateful that the door is open and they are able to attend on a regular basis.

We have had regular men's meetings every month along with local pastors preaching, including Dale Ramsey who came and ministered the Gospel. We saw miracles and God moved in peoples' lives.

In our city and province the government had arrested three pastors to date. This has done nothing more than put a fire under the people in our church and has made them more hungry for the Gospel. We continue to hold open and regular services with the hope and expectation that God is watching over us, and we pray we will not have any issues in the future!

Please pray for us in Canada as we minister the Gospel to our nation!

**Footscray, Victoria, Australia**  
**Potter's House**  
**Pastor Daryl Elliott**  
**Corres: Geoff Stowers**

**G**reetings from Melbourne. Since our last report in February, we're excited to report that we have seen God continue to do a supernatural work in the Footscray Church under the leadership of Pastor Elliott.

With an easing of some Covid restrictions we took full advantage of being able to outreach, send impact teams and do a variety of many other things.

Once again we were able to hold park outreaches on Saturdays with our ever reliable Melbourne summer weather. We changed our outreach concerts to an earlier time of mid-to-late afternoon. We did the same with a Poly-fest concert (Polynesian islands culture) and these times worked well with the community. We saw many visitors come to these events and people saved.

Pastor was able to book our first Revival meeting in more than 13 months with Evangelist Mick Listing, again it was the timing of God that this all worked out exactly to the day when

state borders were able to open once again. Powerful Holy Ghost anointed preaching, people saved and baptised in the Holy Ghost and timely words marked an awesome time with Evangelist Listing.

In the month of April one of the brothers was inspired to do an Easter drama with a "Heavens Glory, Hell's Fury" theme over two nights. He even went to the trouble of completely making the stage and dismantling it afterward with very minimal help as well as writing the script and organising many actors and support crew all within the church. To say it was a success was an understatement. We saw 35 saved on the Friday night and another 20 saved on the Sunday evening!

Sandwiched in between these we were able to hold our annual Easter March on Saturday in the Bourke St Mall for the first time in two years. We were blessed to have our other Victorian Churches join us and take part in

street whilst at every corner an altar call was preached.

In one hour we saw 22 precious souls say a sinner's prayer. Also at the last stop Pastor Elliott led all of us in prayer. We felt the power and the presence of God come down as we took authority and dominion over our City of Melbourne, the State of Victoria and our nation.

A few weeks later one of the young men felt stirred to do an Anzac drama at our Saturday night Anzac Eve concert. It was powerful as we honoured those from Australia and New Zealand who have fought overseas. Visitors attended and we had four souls saved.

Interestingly enough that meant Anzac Day fell on a Sunday so we were able to have our morning church service with an Anzac theme. Pastor Elliott preached a powerful message about service in God's kingdom and challenged the church, especially those in their teenage years who are starting

to make important life decisions. He mentioned the story of a man in the first world war by the name of John Simpson Kirkpatrick, 22 years old, who would rescue the wounded with his trusted donkey in the midst of the fierce battle at Anzac Cove. Three weeks after they arrived he died by machine gun fire doing this very thing. This man, as Pastor said, "gave his life that others might live."

God has given us favour on our regular Saturday outreaches and we continue to see many saved on the streets.

Our Footscray pioneer churches are seeing God move powerfully. Pastor Caleb and Victoria Spruce,

who are pioneering and have only been open a few months in the Craigieburn area, saw 36 people in their latest Sunday morning service.

Pastor Daniel and Bec Stephan in Onehunga, New Zealand saw 156 people attend their latest regular Sunday morning service! Planted out of the Onehunga Church at the last Mel-

Street drama in Footscray, Victoria, Australia

this event.

The police would normally have a couple of officers join us to help out, being an organised march, but they have come to realise over the years that we do not cause any disturbance to the public at large so we are able to have full access in the Mall itself. We sang victory songs as we marched down the

bourne Conference, Pastor Chris and Ivy Ofenoa have just recently opened in Manurewa, South Auckland, where they saw 30 people in one of their Sunday morning services.

Great things happening and exciting times are ahead for God's people.

Thank you for your prayers. Please continue to pray for the Footscray Church as we pray for you. We have been seeing growth here in Prescott Arizona, not only in the church but also in the city.

### **Havana, Cuba Potter's House Pastor Angel Ortiz**

**G**reetings from Havana. We were launched to Cuba three years ago and we are seeing a genuine move of God here. The church was shut down last year because of Covid, but that has not stopped God from moving. All it did was to force us to get creative and think of new ways to win people to Christ.

We are having regular services at

The good thing about Cuba is that we don't have many distractions. These folks are faithful to prayer every morning. We also have Bible studies after prayer. The majority of the church is constantly wanting more ministries. We do discipleships, Bible studies, and any other Bible class we can. They are always asking for more.

I have five very strong couples who want to do the will of God. I take turns letting these couples preach every other service. They are maturing and developing at a rate I am in awe of.

This March 2021 conference in El Paso we had the privilege of announcing one of these couple to go out and pioneer a new church into Marianao, Cuba. Please pray as we get ready to send them out.

### **Hurstville, Sydney, Australia Potter's House Pastor Darren Munzone Corres: Nina Samy**

**G**'Day from Hurstville, Australia!

What would happen if we as a church, prayed and fasted for a month?

That's a question we had set out to answer this year. We needed a supernatural breakthrough in our congregation, and revival in our personal lives.

Our church had dedicated the month of March to prayer and fasting. Our perpetual state of praying

and fasting included coming to church during the week to engage in worship, praising God and praying in the streets of Hurstville.

Our goal was for men and families to get saved and for our pioneer churches to grow exponentially. We also felt stirred to pray for those who had backslidden and for unity in the church. During this month our saints

were blessed with miracle money, financial breakthrough, pay rises and new jobs.

In March we prepared for war by praying and fasting, and in April we attacked the streets of Hurstville. We set out to get at least one person saved every day as a congregation and with great success! Every week there were young and older saints running street outreaches, and events for the church. We saw many people get saved and there was supernatural breakthrough in the church.

It has been an exciting year for Potter's House Hurstville so far, from seeing people getting married, future weddings on the horizon, baby dedications and expectant mums to be, our church is definitely growing.

We have been blown away by what God is doing in our church and cannot wait to see what else God will do in the coming months. Please continue to pray for the Hurstville church as we pray for you.

### **Testimony: Dalbert**

**M**y father was a good man. People loved him, They enjoyed his company. He was a musician who played in a band. He would often be the life of the party, singing and playing his guitar, bringing joy to people. But my father had his faults...

He worked a job, he lived from week to week. Sometimes he would get paid and go straight to the pub after work. He'd spend all of his money on alcohol and gambling, leaving nothing for my mother and their six kids at home. We struggled to survive. His bad habits brought a strain to the family, and sometimes would hit my mother. But because he was our father, my family still loved him.

When I was two years old, my father died. Our family was distraught. My mother who was pregnant at the time had a miscarriage due to the stress. My uncle came and lived with us to help support her, but he was an alcoholic, and it led to my mother drowning her sorrows in alcohol as well.

I witnessed so many parties at our house and violence at home. At the age of four years old, I would wake up after

Church in Havana, Cuba is thriving, with new pioneer churches being launched

my house and one of the disciple's houses with one couple from church only. They take turns coming to church, but they have to invite a new couple. We have added three new couples to church through this and these couple are locked into the church and on fire for God. They are already making decisions to one day go out and preach the Gospel!

a party had finished and everyone had gone home, and drink some of the left-over alcohol. I ended up being a “trouble kid,” having a police record at the age of seven.

At 13 years old I’d be jumping out the window, taking off to parties, doing drugs, getting with girls, getting up to mischief and taking off for the whole weekend.

I got suspended and then got kicked out of school. At 18 years old, I had no qualifications, no future, and I was on the dole. At 20 years old, I moved to Australia and worked in a bar. Those days were filled with clubbing, friends, drinking, gambling, drugs, girls and I loved it. But my pleasures soon became my problems. I lived from week to week. I would get paid and go to the clubs straight after work with all my mates, and spend all my money on gambling, drugs and alcohol, leaving no money to live on. I was also physically abusing my partner at the time. I soon became jobless, homeless and with no hope.

My sister told me about Jesus and how He could help me. I prayed a sinner’s prayer and invited Jesus into my heart and life. Ever since then, Jesus took all of my addictions away. I no longer crave all the addictions I once had, nor the life I once lived.

I am saved and a born again Christian. I am a Bible study leader in my local church. I use my story to help others overcome their problems. I am married with two kids and have recently started a transport company.

I am so grateful for Jesus saving me, helping me, and blessing me. Now I can do the same for others.

**Libala, Lusaka, Zambia**  
**Potter’s House**  
**Pastor George Karabassis**  
**Corres: Brian Samuhela**

**G**reetings from Zambia! Our church is back on track with events and programs which were once on hold. Mid-year is winter for us in this part of the world.

Pastor George Karabassis meets with the men bi-weekly on Sundays at 7:30 in the morning for Serious Men

Heaven’s Gates; Hell’s Flames drama in Lusaka, Zambia

as the men get inspired with thought provoking teachings. Every Sunday morning prior to the main service, our Adult Sunday School is growing with more people participating during the teaching.

Every Monday evening we have video outreach at a local play park. Prior to the visual presentation there is singing and testimony. Club 180 is also impacting many youthful lives. So far we have had six people who have gotten saved through the 180. Brother Gershom Tembo, our outreach director, is taking it to a higher level. Besides these, many evangelistic programs have taken place in various local townships.

During Easter we had the Heaven’s Gates and Hell’s Flames cast for two nights, which saw 38 people saved.

In the second week of May, we had a baby dedication which coincided with Mother’s Day. Six babies were dedicated to the Lord, and later Pastor gave a Bible as a present to each couple to help them be practical in teaching the children in the things of the Lord. Pastor also preached a sermon dedicated to the mothers on their big day!

The ladies of our fellowship went for outreach to our two baby churches in Garden and Chazanga compounds. About 59 people gave their lives to Jesus, and the ladies in these two baby churches got inspired by this gesture.

We will be having a concert dubbed “JAH-NIGHT” which is a reggae concert aimed at reaching out to the Bob

ference is also set for August.

As the Fellowship church celebrates 50 years of Kingdom business, we say Ebenezer – thus far the Lord has brought us. We thank God for Pastor Greg Mitchell and all the leaders in the Fellowship for that global perspective. Happy Golden Jubilee!

**Mandaluyong City, Philippines**  
**Potter’s House**  
**Pastor Alberto Desepida**  
**Corres: Gualberto Hernandez**

**G**reetings from Mandaluyong City, Philippines!

Despite the strict restrictions brought about by the Covid pandemic, God is still moving powerfully in our churches here as we continue to preach the Gospel on the streets, through one-on-one evangelism, and online concerts.

We have limited attendance during our church services, but many are being reached and ministered to online.

The Philippines is adversely affected financially because of the lockdowns, but the God we serve is a gracious God and He continues to provide for the needs of His people and especially His church. Many of our brethren are still keeping on with their jobs, while some of them have seen open doors of opportunity for businesses during these hard times.

Marley fanatics. We will also be hosting the Libala Homecoming with guest preacher Pastor Andy Anderson, who is a missionary to South Africa. Our 2021 Central African Bible Con-

Mandaluyong, Philippines Conference  
saw seven new works launched

One of our sisters, who is a faithful supporter in terms of tithes and world evangelism, testified how she had been called by a company offering a higher position and pay, but she turned it down because it will take her away from our church. However, after doing that, her current company offered her the same position and pay!

Our missionary family in Myanmar just came back because of the political turmoil in that nation. They were in Mandalay City for just more than a year, yet they have seen how God was able to raise up a thriving church with disciples rising up. Pastor Ricky Paramio and his family witnessed how the Burmese people have a deep spiritual thirst that only God's Word can quench, so he continues to meet with them and minister to them online. Please pray for Myanmar.

This first week of May, we just concluded our biannual Bible Conference themed "The Pattern of our Fathers." We were refreshed and blessed by the very timely ministry of the Word by Pastor Tom Payne, Pastor Jesse Cluck and our local pastors. Although there were still some restrictions, an average of 200 people were in attendance every morning and evening. The conference highlight was the Friday night announcement of seven local pioneer works and a couple taking

over the church in Taipei, Taiwan.

We continue to praise God on what He has done here for the past six months. We also thank Pastor Greg Mitchell for this opportunity to give our report. God bless our fellowship!

Forty-seven converts baptised in latest  
Nogales baptism service!

**Nogales, Sonora, Mexico**  
**Potter's House**  
**Pastor Gilberto Jimenez**

Greetings from Nogales, Sonora, Mexico.

This past year of being in this worldwide pandemic has been hard on everyone, but what has also been obvious is the hand of God on our church here in Nogales, Mexico and over the nation of Mexico as well.

We have seen an incredible and totally unexpected response from our Livestreams on our YouTube channel (La Casa del Alfarero Nogales). We've been able not only to continue with regular church services but

we've also seen so many saints from dozens of other cities and nations being blessed by our Livestreams also.

In our past two conferences, October 2020 and April 2021, we were able to announce a total of 16 national churches and two international churches, one being in the USA and the other to the nation of Argentina!

The most recent victory took place in May, where we had a total of 47 new converts baptized, which is most definitely something that the Nogales church has never seen.

God is moving powerfully in the Nogales, Mexico church and in Mexico altogether, and we want to encourage you to also believe for a powerful revival in your church as

well.

Please pray for us as we continue to pray for you!

**Catavá, Colón, Panamá**  
**La Puerta**  
**Pastor Gary Case**

In late October, barely a week after the nation had opened up, my wife Lisa and I arrived in Panama.

Three days later, we bid a fond farewell to pioneer missionaries Jaime and Georgia Cruz. We were left with some gigantic shoes to fill (I think Jaime is a size 13), as the Cruzes had labored fervently for five years raising up this solid work.

November and December were ROUGH! Alright, January was rough, too. Panama was under weekend lockdowns, plus daily 7 p.m. curfews. Due to the number of cartel-related deaths in the neighborhood, a police checkpoint was set up directly in front of the church.

Lisa and I were never flagged down, though (they just rolled their eyes and waved us on). I think it's because we don't have that "packen heat" look (Lisa thinks it's because we DO have that senior-citizen-missionary look). All in all, it had been a few months, and we still hadn't gotten to know some of the congregation (well, not in person, anyway).

But God has a plan! Even with all the strictly-enforced restrictions in place, people began to come in out of the cold (figuratively speaking), and moreso after the easing of the Sunday lockdowns.

One brother in the church approached me with an idea: Could we have cake and ice cream after service, so he could tell his family that his birthday would be celebrated at church this year? He offered to take care of everything, and let everyone know that it was a church service, with a celebration following.

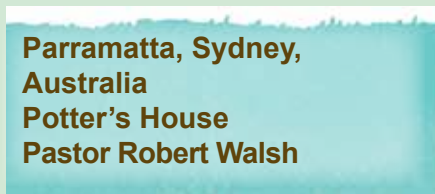

We had more than 25 people in our "25 percent capacity" building (I'm pretty sure our maximum seating is probably 100...). At least four people prayed for salvation, and some of the visitors came to service that next Sunday! The brother continues to bring his siblings, nephews and grandkids to church, sometimes making two trips.

These are little victories that will add up to greater victories, not only here in the mission field, but anywhere the Gospel is being preached! Don't give up!

Thank you Pastor Jaime and Georgia for your labor and sacrifice in Panama. Thank you Pastor Ray and Patsy Rubi and the Las Vegas, NM congregation for your prayers and your support. Thank you Pastor Greg Mitchell and the Prescott congregation for your world vision. We haven't forgotten your investment in our lives.

Pastor Gary Case ministers in Panama church

**Parramatta, Sydney, Australia**  
**Potter's House**  
**Pastor Robert Walsh**

**G**iddyday from Parramatta after what has been yet another eventful, fruitful and powerful year.

Marriage retreat in Parramatta, Sydney, Australia

Who would have thought...?

While some of our events have been curtailed due to COVID, others have gone ahead unchanged. We had several revivals with two of the most notable being with Evangelists Dan Villani and Steve Stephan.

Dan Villani has only just recently been announced as an evangelist, but he ministered with maturity, anointing and power. His gifted special music was also a feature.

Steve Stephan's enthusiastic ministry brought great encouragement to the church and his healing ministry was very well received with several notable miracles.

Our annual September Bible Conference is always a tremendous time of challenge and refreshing for the NSW churches, delegates, workers and Pastors. The week was not at all diminished by the fact that crowd sizes were limited and we had to Livestream into several local hubs to facilitate the numbers.

The main speakers were an array of local pastors and each preached with a clarity and application. We also announced two brand new pioneers – into Marsden Park, Sydney out of the St Mary's Congregation – Kenny and Siu Kura; into Penrith out of the Fairfield Congregation – John and Jade

Hoang; and a new evangelist – Cory and Sharon Bourne out of the Parramatta congregation.

Our annual "Big Day Outreach BA15+" event for the radically born-again disciples aged between 15 and 25 was also a highlight. Record numbers gathered for prayer, breakfast and preaching before spending the day outreaching for 12 local pioneers. They gathered back in Parramatta for a Rally that night. They had tremendous impact for the Kingdom and all the churches visited reported people saved.

We also had record numbers at our annual Marriage Retreat themed,

“Making a Lifetime of God Moments Together.” It all worked in well with the relaxing of lockdowns and limits on numbers – God is good!

We want to thank Pastor Greg Mitchell and the Prescott Church for their clear vision over many years, and for Pastor Tom Payne’s labours, investment and leadership in Australia. We appreciate his insight and thank God for all he is doing in our nation.

**Zacatlan, Puebla, Mexico**  
**La Casa del Alfarero**  
**Pastor Hugo Balderas**

**G**reetings from Zacatlan, the land of the apples and also precious souls.

God has helped us this year, for we finally had the great blessing of announcing our first couple to the mission field at the Nogales Conference. This very faithful couple is taking the challenge for the city of

people who speak a native language, Totonaku and Nahuatl. Those men now are stirred for the mission field. They came to Zacatlan for a better opportunity, got saved and now want to preach the Gospel.

A powerful testimony in our church is Damian Ordoñez, a member of our church that God has completely healed from alcoholism and bankruptcy. Now he is been a great blessing as he saw his finances growing and started to tithe faithfully.

Keep praying for our city as we are reaching the north of Puebla for Jesus. God bless you.

**Sunshine Coast,**  
**Queensland, Australia**  
**Potter’s House**  
**Pastor Phil Ouma**

**G**od has been moving on the Sunshine Coast in the past 12 months.

Even though we were hit with the effects of the recent pandemic, God was still at work moving in people’s lives.

During the lockdown we went to on-line services which

was a major adjustment for all of us.

In this time God moved powerfully with backsliders getting saved, and what was incredible was that we actually saw our church finances increase more than ever!

One of our prayers for a long time was for us to get our own building, and just after conference God opened a door and we were able to do that. Our church building is right on the main road with thousands of people passing it every day and we are right on

top of the mountain, overlooking the city!

What so blessed me was that in the move we were able to pay for the whole entire fit-out of the building ourselves, which brought great dignity to our congregation. Since moving we have seen a fresh wave of people coming in, getting saved and we even have a wedding coming up which is exciting to see.

We have recently had revivals with Pastor Ash Adam, and Evangelist Ben Reddy. Both these times we have seen God move in a powerful way with many people getting saved, healed and added to the church in both of these revivals.

We also have a great mixture of culture in our church with nearly 15 different nationalities from all over the world, which is such a healthy sign for a Pioneer work!

God is moving in our city, please continue to pray for us as we look forward to all that God is doing on the Sunshine Coast!

Puebla, Mexico launched its first couple into the mission field!

Chignahuapan, 30 minutes from our city. We are so excited and planning for the next couple to take the next city for Jesus.

God has been talking to our hearts about the great Sierra Norte of Puebla, cities with a population of 60,000 or more without any of our Fellowship churches, and small villages nearby. We have in front of us the great opportunity to reach the North of one of the biggest states right in the middle of our nation.

We have a multicultural church,

*“He is no fool who gives what he cannot keep to gain that which he cannot lose.” - Jim Elliot*

¡Saludos desde La Casa del Alfarero de Rota, España! Greetings from the Potter's House of Rota, Spain!

We are from the Waipahu, Hawaii church with Pastor Daniel and Jodee Jones, launched out from the Prescott summer conference of 2019.

What a wild journey it has been pioneering a church through the season of global pandemic! Nothing happened the way we envisioned it as we relocated to this part of the world.

With the COVID mitigation policies of Spain and the national state of alarm, we had to figure out creative ways to get the Gospel out. Social media has been a way to connect with those who started coming out, but nothing has

coffee and a Bible study. But even as we pressed through the strictest stretch of the national state of alarm, God has always pointed us in a direction and given us opportunities.

We received a word from Pastor Scott Lamb when we were launched out: “God’s going to open doors for you. He’s going to bring you into relationship with people. The key is going to be he’ll introduce you to a man here and a man there and they are going to open doors into whole sections of the community. They are going to be the contact points and as you move with them, they are going to introduce you again and again, it’s going to multiply and multiply and multiply, so you just follow God’s leading as He leads you through these men and don’t be afraid to step through any door. Don’t be afraid to step through the doors God opens because he’s going to open amazing doors before you. You’re going to see it happen and you’re just going to go, ‘Wow, look what God has wrought!’”

To this point, it has happened exactly as the word was given. We have amazing favor with the American community. Our first convert, who is from a U.S. naval command, started bringing his shipmates to the services. Since he relocated, others from his

and bringing them out. Most of our visitors have been from that command. As the national policies expand the allowable numbers for gathering, our numbers are expanding with it!

We had a water baptism event a few weeks ago at the beach with music and testimonies and baptisms as per the pattern we were taught. This stirred up groups of Spaniards gathering to see what was going on.

“Te bautizo en el nombre del Padre, y el Hijo, y el Espíritu Santo! I baptize you in the name of the Father, and the Son, and the Holy Spirit!” Between the music, testimonies, and the baptism, with all the onlookers, this baptism was truly a public proclamation of faith!

The Mitchells and the Prescott congregation partnered with the Joneses and the Waipahu congregation to send us out here. We are grateful not only for this opportunity, but for the many years of faithful service by Pastor Wayman Michell and the many who followed his example to establish the vision that inspires thousands to go and impact this desperate generation.

Please pray for us as we continue to seek the open doors that will lead us into another section of community for the glory of God!

Baptism in Rota, Spain

been as good as one-on-one evangelism as opportunities open up. We even went caroling on the naval base, which afforded us the opportunity to street preach and share testimonies without being shut down by the military police.

At one point, we had to meet with others, a few here, a few there, for some

Caroling on naval base was one way around Covid restrictions

command have stepped in to become the bringers. His fruit is now inviting people out, following up on people,

**Saipan**  
**Victory Chapel**  
**Pastor Eric Marino**  
**Corres: Gol Corpuz**

We thank God for what He is doing in our island of Saipan, Commonwealth of the Northern Marianas Islands (CNMI). He’s been good to us as we are seeing influx of new visitors these past few months in almost every service.

We praise God also, as we have been blessed to be in Level 1 – low risk, in terms of the pandemic situation, as our island is considered to be the safest place in our region. This enables us to do our usual outreaches prior to the pandemic.

The 180 Productions and our MVP (Men with Vision and Purpose) continues to reap souls by the dozens every week bringing our monthly 180 outreaches to different villages. Our

Saipan church seeing many souls baptized and healed

monthly 180 production outreaches have seen 95 souls saved from February to April, in these events alone.

We also witnessed 10 precious souls baptized last March. On Good Friday, we had an outreach portraying Jesus as He carried the cross, while our men preached and testified. That evening resulted in another 37 souls saved.

On Good Friday, we had an outreach portraying Jesus as He carried the cross, and God saved another 37 souls. Saturday morning outreaches continue to be fruitful, with souls being saved and added to the church. Our attendance this year has reached as high as 307.

Through the leadership of our Pastor Erick Marino, our focus has shifted more to miracle healing as an avenue to bring souls to God's kingdom. Each healing service our pastor would encourage the sick to place their hands on the inflicted part of their body as he led a mass prayer for healing, and we have seen God work miracles, not only for those present in the service, but also those who reported healing on Livestream, and those for whom church members were standing in proxy, and for that we give God all the praise and glory!

As the book of Acts states in the phrase... they shall lay hands on the sick and the sick shall recover... we have seen God's power evident, even in MVP's when our men reported miracle healings.

One highlight was an elderly man who had lost mobility in his arms and hands for more than 10 years due to stroke, and after prayer, he was able to move and raise his hand!

We give God all the praise and glory for what He's done.

As we look forward to our Guam Bible Conference this coming June, we labor in prayer for God's favor. We are

grateful for Pastor Jesse Cluck and Sister Angel, for their leadership in our mother church in Yigo, Guam, as well as to Pastor Greg Mitchell and Sister Lisa in Prescott, Arizona. Their vision in these last days continue to inspire our members to persevere in the call of God.

**Eagle Vale, Sydney, Australia**  
**Potter's House**  
**Pastor Adrian Sciacca**

**G**reetings from Eagle Vale, Sydney, Australia!

It has been eight months now since we had our grand opening service and since that time, we have continued to see people attending regularly and forming part of the core of our church.

Despite the localised lockdowns and Covid restrictions, as a church we have continued to regularly outreach, evangelise and witness in our local areas, which have seen numbers of people get saved and come out to church.

In December we hosted our first revival with Evangelist Ben Reddy. The

Couple saved, restored and now married in Sydney

church was encouraged, people filled with the Holy Spirit and many prophetic words were given to encourage the saints. We saw visitors attending each night of the revival and men that got saved in that revival have been coming to every service now.

A notable miracle from December was the partner of one of the ladies in church being released from prison after being in for two years. The day he was released, he came to revival and responded to the altar call. His partner had been praying for this day to come! Since that day, God has done a miracle in restoring their relationship, helping him to find work and restoring his relationship with their kids. In February 2021, we had the privilege to marry them in our Sunday morning service, witnessed by 90 of their friends and family, with numbers of them getting saved after seeing the restoring power of God at work!

This year has gotten off to an amazing start and our church is excited for all that God is going to do!

Please pray for us as we pray for you!

**Pingzhen, Taiwan**  
**Potter's House**  
**Pastor Clayton Reed**

**G**reetings from the nation of Taiwan!

We bring a good report of what God is doing here. During the beginning of the Covid pandemic, we had to shut down and do Livestreaming for a period of time. It was challenging, yet we were able

to power through this and keep the congregation focused and moving forward in the things of God!

In July, we had a powerful Revival with Pastor David Swartz from Taichung. We so needed to hear from God and each sermon was a word spoken to our hearts. He encouraged many

of our saints with a word of knowledge and prophesied a word of vision for the church.

We have continued to partner with the Taichung church with Men's Discipleships. These have been fruitful times of direction for the men in our churches.

In August, we took an invasion team down South to the church in Tainan for Pastor Julius Setiar. It was a fruitful time of outreach. We were so thankful to labor together and nine souls were won for the Kingdom of God.

At the end of April we hosted the 3rd Annual Pioneer Rally with the theme of Pressing Forward in 2021. All seven of our fellowship churches participated in the Rally. It was a time of powerful preaching, with many responding towards the call to press forward for the kingdom of God.

We really want to thank our home church in Colton, CA for their continued support and prayers. We are so grateful for you! Please pray for us as we continue to labor here in the nation of Taiwan.

Congregation in Pingzhen, Taiwan

“lockdown” with no church meetings allowed. So we started with online services and saw great success in it.

People were not only being encouraged in a time of need, but we also had testimonies of healing, as Pastor prayed at the end of the online services.

God showed His power and reminded us that He is not limited by circumstances.

We couldn't do our yearly Easter drama on the streets but did an online Easter Concert instead. Clips were sent in by brothers and sisters. We had a great concert, with powerful testimonies.

As soon as we were allowed to meet again, we went back to outreaches and street preaching. We saw people coming to church and pray sinner's prayers.

We were also able to do a concert in which a Muslim woman surrendered her life to Christ. She came back, got healed in her stomach and filled with the Holy Ghost in her second service!

September 2020, before the next lockdown we were able to do a baptism in the Rhine river with four people being baptized. One brother is serving God faithfully as an usher and is on fire for Jesus.

Even though we weren't able to do all we had planned, God still worked in this time.

We are still kind of in and out of lockdown as numbers go up and down. But we keep on doing the work

of God, doing outreaches on a regular basis and see people giving their lives to Christ.

Prayers for the sick see people healed. One man from Afghanistan who got radically converted was deaf on one side. He came the same night and asked for prayer. As he got prayed for his hearing was completely restored. Praise God for that! Just recently he got filled with the Holy Ghost and is with us on almost every outreach and every impact team so far.

We also started a concert scene again. We are bringing music and dramas to our outreaches not only in Wiesbaden but also in other cities with great success. This has been a busy year already with impact teams to Berlin, Mainz, Frankfurt and Mainz again. People are being very open for the Gospel.

We just celebrated the 20-year church anniversary and Pastor Frank and Rebekka Schwerer's 20-year ministry anniversary. They had pioneered the Wiesbaden church back in April 2001. The celebration was accompanied with a timely revival from Pastor Schwerer. He gave us words of direction and hope.

We are looking forward to what God is going to do the remaining year and despite the circumstances we will be faithful.

We are believing God for signs, wonders and revival in Germany, Europe and around the world. Please pray for us as we pray for you.

### Wiesbaden, Germany Potter's House Pastor Simon Dahlinger

Greetings from Wiesbaden, Germany.

We started the year 2020 with praying and fasting and went to the streets with local outreaches and impact teams to our neighboring churches. Little did we know that two months later Covid would rule almost everything.

March 2020 brought the complete

**Zwolle, The Netherlands**  
**The Door**  
**Pastor Nomdo Schuitema**  
**Corres: Marcel van Harten**

Greetings from the city of Zwolle where spring has kicked in wonderfully and where we are excited about a new season of fruitfulness.

Although COVID regulations haven't disappeared, lockdown measures have eased. The curfew is no longer in effect and we can come together with more people. Most people who have suffered from COVID have now fully recovered.

As expected, our international conference in February was excellent again. Main speakers Pastor Joe Campbell and Pastor Nigel Brown preached heartening and inspirational sermons. COVID restrictions unfortunately forced us to organize our conference in a different way, but we had a great time and we were very much encouraged and strengthened.

We are proud of three new works in Europe. Couples are on their way to Paris, Lisbon, and Oslo (Norway).

Because of all kinds of restrictions (only one visitor allowed at home, most shops being closed etc.), we had to be creative to reach out to each other and to sinners. This worked out well.

We have a number of Home Bible study groups. People use Livestream tools to study the bible together and to talk with each other afterwards. Podcasts, blogs and vlogs are new outreach tools. The studies are well attended, both new and older converts participate and new converts can learn a lot from the older converts. Evangelism workshops started recently, bringing a new

Fruitful concert ministry, left and baptism, right, in Zwolle, The Netherlands

zeal to our outreach ministry.

In the recent months we've had different theme nights on our (online) One80 nights. New bands play on the Reggae and Latin Night, Chinese and African Night. Various visitors came to these concert nights and got saved.

Because we stayed focused on sharing the Gospel, we were able to reach people who previously would not have come to church. Some got saved through our Livestream ministry and started to attend church! As a result many new converts were baptized and also our baby churches were able to get their converts baptized during our baptism services.

Our local discipleship training classes are going well, too. A considerable number of young men step out in faith and preach and it's encouraging to see

them develop preaching and people skills, as well as grow in their personal relationships with Christ.

God continues to be in motion in the city of Zwolle in The Netherlands!

**Ciudad Satélite El Alto**  
**La Paz, Bolivia**  
**Potter's House**  
**Pastor William Ortiz**

Greetings from La Paz, Bolivia. This is a picture of the Youth Bible Study. Evangelist John Robinson did a tremendous job challenging our youth to step up in this generation. Many made the commitment to step up and be the peer pressure in their generation.

Evangelist John Robinson ministers to La Paz, Bolivia youth

# Prescott's 'Super Fairy Tale' drama

Prescott Assistant Pastor Jesse Morales recently put together a new drama entitled "A Super Fairy Tale." The production offers a simple story involving some of the most loved princesses and superheroes. A clear Gospel message is presented, showing that with all the evil in this world, there is evil inside each and every one of us. The only thing that can save us is not good deeds or Superhero power, but instead it is found in accepting the salvation of Jesus Christ.

The play makes an impact in drawing out families and young people, and afterwards families can have pictures with all the beloved characters. We have seen much fruit from this play already, and we are excited to continue to hold showings of the Super Fairy Tale throughout the summer.

# carries a powerful Gospel message

## More from Prescott, from page 3

prayer over the phone. This lady was able to testify, over the phone and in a completely different location, that the pain left her body!

There has been great fruitfulness in one of our local parks in the Prescott Valley Area. It has served as a great location to set up and present the Gospel. We were able to hold a showing of the "Super Fairy Tale" production outdoors in this local park. The outreach drew families and young people out, with more than 150 visitors in attendance and 16

people gave their lives to Christ. In this same park we have been holding a semi-weekly concert where we see a lot of new faces every week, and have been seeing dozens saved at each event.

Our One80 concert ministry, located in downtown Prescott, also continues to be a fruitful form of evangelism. We recently did a small remodel, and held a Grand Re-Opening. We saw 10 people saved in that event.

We have been able to hold multiple Family Fun Festivals in the park,

and through these have seen great impact on local families. We were grateful to have a band from our Church in Casa Grande, AZ come to help perform for one of these outreaches. We put on puppet shows, give testimonies and more. In one recent Fun Day we saw more than 75 visitors came through. At the end of this outreach there were seven people who prayed to give their lives to Christ.

We are looking forward to all God is going to do this summer season!

# Wayman Mitchell Memorial Tour

## The Bible Land Experience

**November 9-18, 2021**

### *Departing Cities*

Los Angeles \$3,375 Land and Air

New York JFK \$3,175 Land and Air

\$2,300 Land Only

Dear Friends,

Over the past centuries, Jews have cried, "Next year in Jerusalem," to express their longing for the land of Israel. It has been 3,000 years since David captured Jerusalem from the Jebusites, who were descendents of Melchizedek. This year, we will be privileged to visit Jerusalem and fulfill what millions of Jews were unable to do. For this, we are thankful, as we recognize that we live in "Messianic Times" when the coming of the Lord draws near. We invite you to join us on this visit to the land God promised to Abraham, Isaac, and Jacob, and made holy by prophets of God, by our Savior Jesus Christ who died and was resurrected there, and by His disciples. We are planning to make this a memorable trip for you, to let you feel with your heart as you stop in ancient holy places and are informed about scriptural events. Come join us on this inspirational, testimony-building tour of Israel.

*Sincerely, Pastor Richard Cox*
